The list is provided as a sample of the songs we have used in worship services during the past few years. Many times, we have learned new songs to match the theme of the service or event.

As part of our approach to blended worship we also, upon request have included many traditional hymns.

A list of Children's Songs is also included below for review.

Requests and comments are welcome. eastview@bell.net

Christmas (other seasonal) songs are also available upon request.
